18:20- Closing Remarks

Partner Universities

The Grenoble Alpes University (France)
The University of Bordeaux (France)
Ruhr-University of Bochum (Germany)
Bonn University (Germany)
KU Leuven (Belgium)
Utrecht University (Netherlands)

Program Details

Pre-Event

-Let's Connect with Faculty Members from European Universities!-

As a pre-event of our kick-off, faculty members from some of our partner institutions — Grenoble Alpes University, University of Bordeaux, Ruhr University Bochum, and KU Leuven — will be hosting booths for casual interaction with students.

 No registration needed!

Feel free to drop in and out anytime between 11:00 and 13:00.

If you are:

Interested in studying abroad at a European university

Curious about international exchange opportunities

Hoping to chat with overseas professors about research

...we warmly encourage you to join us — even if you're just a little curious!

 After this event, you're also welcome to attend the symposium as an observer.

Symposium Speakers

◆ Keynote Lecture

Toshiyuki TAKAGI

Director, JSPS Strasbourg Office (Japan Society for the Promotion of Science)

◆ Partner University Presentations

Grenoble Alpes University

- Etienne GHEERAERT – Vice President (General Affairs), Grenoble INP
- Marceline BONVALOT – Co-Director of J-FAST

University of Bordeaux

- Kentaro MORI – INRAE, Research Unit for Fruit Biology and Pathology

Ruhr University Bochum

- Karola MARKY – Head of the Digital Sovereignty Lab

University of Bonn *Online presentation

- Simon STELLMER – Department of Physics Faculty of Mathematics and Natural Sciences
- Christian KLOECKNER – International Office, Section Partnerships and International Researchers

KU Leuven

- Hideaki MIZUMNO – Biomolecular Network Dynamics, Faculty of Bioscience Engineering
- Maarten EVERAERT – Department of Earth and Environmental Sciences

Utrecht University *Online presentation

- Thomas PEIZMANN – Director, Institute for Subatomic Physics
