

A networking event to promote mutual understanding between doctoral students and industry researchers.

# The 8th Exchange Meeting for Doctoral Students and Company Researchers

 Date: Thursday, **October 29, 2026**

 Format: **In-person Event**

 Venue: **Future Society Design Complex**

 Participation Fee: **Free**

 **Application Deadline:**  
**Friday, July 3, 2026**

## Eligible Participants

Doctoral students in science and engineering fields at the University of Tsukuba

- Degree Programs in Pure and Applied Sciences
- Degree Programs in Systems and Information Engineering
- Degree Programs in Life and Earth Sciences

## Information Sessions

### Japanese Session

 **Wednesday, June 24, 13:45–15:00**

 **Room 101, Building 1H**

### English Session

 **Friday, June 26, 13:45–15:00**

 **Room 112, Laboratory of Advanced Research Building B**

## Before the Event

Participants' one-minute self-introduction videos and company information URLs will be posted on the event website prior to the event.

### Video Submission Schedule:

- First Draft Submission: Tuesday, July 14
- Feedback Returned: Friday, July 24
- Final Version Submission: Friday, July 31

### Poster Data Submission Deadline:

**Wednesday, September 30**

Faculty members may provide feedback and suggestions for revisions after submission.

## Poster Session

Company representatives will visit student poster presentations.

Participants are encouraged to clearly introduce their research, future goals, and personal strengths in an accessible and engaging manner.

Support from faculty members and event staff will also be available for international students.

## Networking Session

Participants will have the opportunity to engage in discussions with researchers and recruiters from companies and national research institutes.

This session provides valuable insight:

- Skills and qualities expected of researchers
- Research careers in industry
- Professional approaches to conducting research

Please feel free to ask questions and actively participate in discussions.

## Company Presentations

Students will visit booths hosted by companies and research institutions.

Participants can learn about research activities, business operations, and recruitment opportunities while gaining a deeper understanding of various industries.

## Program Schedule

13:00	Opening Remarks
13:10	Poster Session
15:15	Break
15:25	Networking Session
16:05	Break
16:15	Company Presentations
17:55	Closing Remarks
18:00	Reception & Networking
